Courtesy of Government College, Chail Koti, special camps were organized under the community outreach program in Government Senior Secondary School, Janedghat and Koti, in which the college professors gave information to the children about the importance of higher education. College Principal Dr. Deep Shikha Bhardwaj said that a new initiative called Community Outreach Program has been taken by the college administration under which camps will be organized in all the senior secondary schools of Junga area in a phased manner which will be continued in the future also so that higher The importance of education can be conveyed to the general public. Under this program, college professors will visit schools and give information about the importance of higher education to class 2 students. Apart from this, information is being given about the modern facilities like digital library, smart study room, play ground, WiFi campus etc. in the newly constructed building of Chail Koti College so that the children can take advantage of the facilities of this college. Let us tell you that this college is the only college in Kasumpti assembly constituency which was established as a result of a long struggle of the local people and political leadership.
