

## **Report on School Visit**

Date of Visit: 17 February 2026

Name of School: Government Senior Secondary School, Junga

Name of Teacher: Dr. Ajay Kumar, Dr. Sushil Kumar]

Designation: Assistant Professor

Institution: Government Degree College Chail Koti

### **Introduction**

As part of extension and outreach activities of Government Degree College Chail Koti, a school visit was conducted to Government Senior Secondary School, Junga. The visit aimed to guide students about higher education opportunities and motivate them to pursue graduation after completing their school education.

### **Objectives of the Visit**

1. To create awareness about undergraduate courses offered at the college.
2. To motivate students to continue higher education.
3. To provide information regarding admission procedures and scholarships.
4. To guide students about various career opportunities after graduation.
5. To strengthen coordination between school and college.

### **Activities Conducted**

- An interactive session was organized for students of Class XI and XII.
- Detailed information was provided about courses such as B.A., B.Com., and B.Sc. offered at the college.
- Students were informed about subject combinations, career options, and competitive examinations.
- Information regarding government scholarships and financial assistance schemes was shared.
- A question-answer session was conducted to clarify students' doubts related to admissions and career planning.

### **Interaction with School Authorities**

A meeting was held with the Principal and staff members of the school to discuss:

- Academic collaboration between the school and the college.
- Organizing career counseling sessions on a regular basis.
- Encouraging students to participate in seminars, NSS activities, and cultural programs conducted by the college.

The school authorities appreciated the initiative taken by Government Degree College Chail Koti and expressed interest in future collaboration.

## Outcome of the Visit

The students showed enthusiasm and active participation during the session. The visit helped them understand the importance of higher education and clarified many doubts regarding subject selection and career prospects. The outreach activity strengthened the relationship between the school and the college.

## Conclusion

The school visit was successful and productive. It fulfilled its objective of guiding and motivating students towards higher education. Such initiatives contribute significantly to community engagement and academic development.
